

**My name is Emily,
and in eight years
I'll be an alcoholic.**

I'll start drinking in middle school,
and I'll do some things I don't really want to do.
So by the time my parents talk to me about it,
alcohol won't be my only problem.

START TALKING BEFORE THEY START DRINKING.

Kids who drink before age 15 are 5 times more likely to have alcohol problems when they're adults. To learn more, go to www.stopalcoholabuse.gov or call 1.800.729.6686
